Band Instruments:

Selection of Instrument

Our skilled band staff will help your child select the best instrument to suit his/her interests, and taking in consideration the overall needs of the band. Instrument selection for new band students will occur in September. You will be notified through your parent file.

Acquiring an Instrument

Once the band teacher has helped each new band student identify their instrument. Parents are responsible for providing a band instrument. The instrument's cost is independent of the school band fees. You need to arrange for your child's instrument purchase or rental with the music store of your choice or you may go to Harper's Music in Chula Vista. Occasionally there are instruments available to borrow from the school. This is a very limited supply. Please contact Mrs. Irwig if you would like to be considered.

Parent Agreement:

I understand my student's band fee is _____ and is due by October 3, 2014.
(enter amount)

I have read and understand my responsibilities regarding the process of selection and acquisition of an instrument.

I understand that returning band students already have black pants, tuxedo shirt, and a band book. However, if these items have been lost or outgrown, it is my responsibility to purchase replacement items and an opportunity to do so will be made at the beginning of the school year.
