*Train up a child in the way
he should go, and when he is
old he will not turn from it.*

Proverbs 22:6

Proceeds from this event greatly enhance school academic programs, activities, and facility improvements designed to help keep our school a safe, healthy, and enriching learning environment for our students.

City Tree is an ethnically and socio-economically diverse school for children 2 years through 8th grade. We are located in downtown San Diego and our student population includes families that both work and live in the revitalized surrounding areas.
