### **Selection of Instrument**

Taking into consideration the overall needs of the band, our skilled band staff will help your child select the best instrument to suit his/her interests. Instrument selection for new band students will occur in September. You will be notified through your parent folder or email.

### **Acquiring an Instrument**

Once the band teacher has helped each new band student identify their instrument. Parents are responsible for providing a band instrument. The instrument's cost is independent of the school band fees. You need to arrange for your child's instrument purchase or rental with the music store of your choice or you may go to Harper's Music in Chula Vista. Occasionally there are instruments available to borrow from the school. This is a very limited supply. Please contact the band teacher if you would like to be considered.

### **Parent Agreement**

I understand my student's band fee will be billed in October or November as an incidental fee.

Advanced Band students will be identified in the fall. Advanced Band fees will be billed for eligible students in October or November as an incidental fee.

I have read and understand my responsibilities regarding the process of selection and acquisition of an instrument.
