Adventure Camp 2022

Each week, campers participate in activities related to a certain theme outlined below. Students have morning academic activities for "academic hour" (1 hour). Students will be able to create art projects and play games related to the themes. On many Tuesdays and Thursdays, we will have off campus field trips for which students will be dropped off and picked up at those off-campus locations. For on-campus days, students will walk to the park and have play time or reading time together.

Water Wednesdays & Fridays - Every week we have special water activities planned either on-site (Fridays) or Waterfront Park (Wednesdays). Children need to bring a swimsuit and towel for water activities every Wednesday.
