of pasta!

Hobbies: Running, hiking, going to
the beach, spending time with
family.

Drink: Iced coffee & sparkling
flavored water

Flowers: Sun Flowers

Sport: Baseball

Color: Teal | Animal: Peacock

About Me

Welcome back City Tree students and families! I am so excited to be here and I am looking forward to another amazing school year! I know that God will move through us all! When I am not at school, you can find me hanging with my family and our dogs, enjoying the outdoors or cooking a good meal! When I grow up, I want to go to culinary school and enhance my skills in the kitchen!

Education

I attended SDSU and I have a B.A in Psychology. My education background has helped me throughout my life and understanding on how to work and communicate with others. I have been at CTCs for one year and I am excited to lead both Technology classes for K-5 grades, but also coordinating the After School Care Program.
