SUBJECT: Science

COLOR: Blue/Teal

ANIMAL: Sloth

## About Me

Hello! I am the 5th grade teacher at City Tree. This will be my 4th year here and my 5th year of teaching. I love our school and the amazing team of teachers and staff who do their very best for our students each and every day. I believe that every student deserves the best possible education. I focus on building a strong classroom community centered on teamwork, perseverance, and celebration. I also have the joy of being the 4th–8th grade volleyball coach and the student council coordinator.

## Education

After growing up in Fresno, California, I moved to attend the University of California, San Diego. I earned my Bachelor’s degree in Developmental Psychology and my Master’s Degree in Elementary Education.
